NACCT

December 20, 2016

Dear NACCT 2016 Attendee:

We are pleased to announce that the educational sessions from the NACCT 2016 meeting are now available online through the [PROLibraries website](http://www.prolibraries.com).

Your PROLibraries login will give you access to the recorded educational sessions presented as part of the NACCT meeting in **Boston, Massachusetts on September 12-16, 2016**.

We invite you to view, at no additional cost, the sessions you were unable to attend during the meeting. Following each presentation, you will be offered the opportunity to receive continuing education credit. These additional credit hours will appear on your existing NACCT 2016 CE transcript, which can be printed immediately after viewing the recorded session.

For technical assistance, please contact the Support Desk [online](http://www.prolibraries.com) or by phone to (877) 796-1325. For questions about NACCT or continuing education credit, please contact Nakera Dumas at the AACT main office by email (Nakera@clintox.org) or by phone: (571) 488-6000.

Maximize your investment in NACCT – visit the NACCT 2016 library at www.prolibraries.com for even more outstanding toxicology education!
