

Executive Director, Utah Poison Control Center

The University of Utah College of Pharmacy, in collaboration with Utah Poison Control Center is seeking nominations and applications for a pharmacist and clinical toxicologist for Executive Director, Utah Poison Control Center with a clinical track faculty appointment at a rank commensurate with experience. The position will start late fall 2019.

The executive director is responsible for overall leadership and direction of the Utah Poison Control Center. The Utah Poison Control Center, established in 1954, is a program of the State of Utah, administratively housed in the Department of Pharmacotherapy, College of Pharmacy. The UPCC serves the entire state of Utah. This position reports to the Chair, Department of Pharmacotherapy, University of Utah College of Pharmacy and the Utah Poison Control Center Advisory Board of Directors.

Responsibilities of the position are administrative (60%), teaching (30%), scholarship (5%) and service (5%). Salary is commensurate with experience.

Review of applications will begin immediately and will continue until the position is filled. For further information regarding the Utah Poison Control Center, visit the following website: www.utahpoisoncontrol.org. For more information about the University of Utah College of Pharmacy, please visit the following website: www.pharmacy.utah.edu.

Applicants must be board certified in clinical toxicology through the American Board of Applied Toxicology. Applicants must demonstrate excellence in toxicology and a commitment to quality poison information services. In addition, candidates should demonstrate strong desire for teaching and scholarship in an academic environment. Pharmacist licensure or eligibility for licensure in Utah is required two months (60 days) after date of hire. Poison center administrative experience is preferred.

Application and Inquiries: Interested candidates should apply online by submitting an application, cover letter, CV, three letters of recommendation, a teaching statement at <http://utah.peopleadmin.com/postings/87645>.
