

AACT Treasurer Nomination

Dear AACT Membership,

I am writing to express my interest in serving as treasurer for the American Academy of Clinical Toxicology (AACT). Along with this letter I have enclosed a copy of my CV. I would consider it an honor to further my service to AACT.

AACT has been central to my professional success for over twenty years. I joined AACT as a fellow in 1997 and been a member ever since. I am currently serving as a member of the board of trustees. Prior to joining the board in 2019 and have served AACT in a variety of capacities over the years.

In 1999, I become a diplomate of the American Board of Applied Toxicology (ABAT). I have served two terms on the ABAT board (2002-2008) and chaired the ABAT credentialing committee for 7 years. I served on the NACCT abstract review committee from 2003-2006. I have also organized and participated in numerous symposia at NACCT. I served on AACT's education committee from 2001-2012 and was the co-chair from 2006-2010. My work as the AACT education co-chair allowed me to participate in board meeting and work with the NACCT planning committee.

Based on my past and current service to AACT, I am well acquainted with the history, operations, and finances of AACT. I will work to ensure that AACT finances remain in a strong position so that we can focus our efforts on advancing the treatment and prevention of poisoning injury caused by chemicals, drugs, and toxins.

Again, I would be honored to serve as AACT's treasurer.

Sincerely,
