

Learner Notification

American Academy of Clinical Toxicology
NACCT 2022 Annual Meeting
September 14, 2022 - September 18, 2022
San Francisco, CA

Acknowledgement of Financial Commercial Support

BTG International
McNeill Healthcare

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and American Academy of Clinical Toxicology. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME) Credit Designation Statement

Amedco LLC designates this live activity for a maximum of 35.00 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists and Pharmacy Technicians

Amedco LLC designates this activity for a maximum of 35.00 knowledge-based CPE contact hours.

Nurses (ANCC) Credit Designation Statement

Amedco LLC designates this activity for a maximum of 35.00 ANCC contact hours.

Objectives - After Attending This Program You Should Be Able To

1. Inform attendees of the recent development of a unified guideline for the evaluation and treatment of patients with acetaminophen poisoning, and discuss the approach to the treatment of acetaminophen poisoning by Canadian providers
2. Discuss the role of medical toxicologists in introducing, and advocating for harm reduction principles in patients with substance use disorders.
3. Address some of the history, methods and international organizations with capability in forensic evaluation of chemical warfare

incidents and the role of analytical and clinical toxicologists in analyzing chemical events.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed in the program book. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.
