

Renee Petzel Gimbar, PharmD, FAACT

Please share your current and past involvement in AACT, AACT-related activities and/or ABAT.

I have been a member of AACT since 2006. Once I became a member, I then looked to get involved in committees to learn and collaborate with others. For several years, I served on the Awards committee helping to select poster and platform awards. I enjoyed the discussions around the different awards and the diversity of viewpoints, depending on training and profession. I also was a member and then pharmacist co-chair for CE when this was a voluntary committee before being overseen by an outside CE company. This committee involved understanding of all the requirements for pharmacist CE and providing feedback and edits for monthly presentations as well as several international meetings and NACCT yearly. Myself and my co-chair also oversaw a reaccreditation survey including documentation, application, and interview, which took a great deal of collaboration, organization, and communication. This past year, I engaged in the beginnings of some fruitful discussions as part of the antidote collaborative to hopefully help AACT come up with plans as we try to understand shortages/outages/discontinuations of medications, specifically those viewed as antidotes. Most recently, I have joined the communications committee and will help work towards ensuring engaging communication between all our members, committees, and other organizations we partner with.

Please note any previous leadership and/or board experience(s) in other associations and/or institutions.

I have served as chair of the emergency medicine section of a national pharmacy organization (ASHP) and in an advisory role on that section's board. Within another national pharmacy organization (ACCP), I served on the awards and research committees. This involvement helped me make connections with EM pharmacists from around the country.

Please share your vision and goals as a member of the Board of Trustees.

I have witnessed both colleagues and friends become more engaged and want to be involved myself, helping to shape the future of this organization.

No other organization has such welcoming, multidisciplinary collaboration. In addition to being a part of my institution's medical toxicology service, I am also an emergency medicine pharmacist. I have seen small inroads in both pharmacy and medicine organizations but not to the level I have seen from the start of my membership with AACT. I am passionate about toxicology, and I want to dedicate more to this organization by serving on the Board of Directors.

If I am elected as a member of the Board of Trustees, I want to make sure AACT leads groups to address medication shortages and discontinuations to ensure critical antidotal and supportive therapies are accessible to all patients. I hope to ensure DEI initiatives continue in our organization. We have been an organization

strengthened by diversity and that will help lead AACT into the future. I want to strengthen communication and collaborations between our members whose multidisciplinary membership is one of our greatest assets.

Renee Petzel Gimbar, Pharm.D., FAACT

INTERNATIONAL INVITED PRESENTATIONS

Clinical Pharmacy Practice Teaching Methods: Teaching Clinical and Practice Skills at Clinical Practice Sites. Hanoi University Pharmacy School. Hanoi, Vietnam. November 2023. 90 minutes

Clinical Pharmacist Bacterial Culture Follow-Up: More Than Just Antibiotics. Asian Federation for Pharmaceutical Sciences Conference. Hanoi, Vietnam. November 2023. 30 min

Emergency Medicine Pharmacy Practice: Newer Antidotal Therapies for Toxic Ingestions. Refining Clinical Practice for Tomorrow's Challenges Symposium. Pharmacy Society of Singapore. Singapore General Hospital. Singapore, Singapore. November 2023. 60 min.

Isn't that for toxic alcohols? Fomepizole for acetaminophen toxicity. Live and recorded presentation. Emergency Medicine Global Learning Exchange. Berlin, Germany. Virtual presentation. November 2022. 30 min.

The Clinical Pharmacist's Role in Fighting the COVID-19 Pandemic. Recorded and live presentation. Third International Conference on Pharmaceutical Updates 2022. Universitas Muhammadiyah Yogyakarta School of Pharmacy. Yogyakarta, Indonesia. July 2022. 60 min.

EM Pharmacy During the COVID19 Pandemic: Navigating the Unknown. Part 2. Recorded presentation for Meiji Pharmacy University. Tokyo, Japan. April 2022. 60 min.

EM Pharmacy During the COVID19 Pandemic: Navigating the Unknown. Part 1. Recorded presentation for Meiji Pharmacy University. Tokyo, Japan. March 2022. 60 min.

Innovations in Clinical Pharmacy Residency Training: Emergency Medicine Practice. Presented virtually at the Asian Conference of Clinical Pharmacy. Nagoya, Japan. Virtual program: February 2022. 60 minutes

Poisonings: the general approach to the poisoned patient. Presented virtually at the Hong Kong 2021 Advanced Specialty Training Program in Internal Medicine Program. University of Illinois Chicago College of Pharmacy and Hong Kong University Medicine. Virtual program: November 2021. 60 minutes

Teaching during the COVID19 pandemic: Experiences in the Emergency Department. Presented virtually at the 2021 Sino-American Clinical Pharmacy Forum. China: May 2021. 30 minutes

Poisonings: the general approach to the poisoned patient. Presented virtually at the Hong Kong 2021 Advanced Specialty Training Program in Internal Medicine Program. University of Illinois Chicago College of Pharmacy and Hong Kong University Medicine. Virtual program: January 2021. 60 minutes

Teaching during the COVID19 pandemic: Navigating the Unknown. Presented virtually at the 2020 West China Cooperative Network of Pharmacy International Academic Exchange Conference. Chengdu, China: July 2020. 20 minutes

NATIONAL INVITED PRESENTATIONS

ACMT Total Tox Course Coordinator and Day 1 Moderator. Presented at American College of Medical Toxicology Total Tox Conference. Virtual Platform: November 2024. CE Program: JA0004273-9999-21-003-L01-P 7 hours

Antidote Shortage Panel Discussion and Q&A. Presented at 2024 AACT Symposium, Shortages: Impact and Response. Washington D.C.: April 2024: 60 min.

How Well Do We Do with Antidote Shortages? Presented at 2024 AACT Symposium, Shortages: Impact and Response. Washington D.C.: April 2024: 30 min.

ACMT Total Tox Course Coordinator and Day 1 Moderator. Presented at American College of Medical Toxicology Total Tox Conference. Virtual Platform: November 2022. CE Program: JA0004273-9999-21-003-L01-P 7 hours

Multidisciplinary Care of the Critically Poisoned Patient: A Case-Based Discussion. Presented at the North American Congress of Clinical Toxicology ACMT Pre-Symposium, Clinical Measures: Intensive Care Toxicology. Virtual Congress: October 2021. 30 minutes

ACMT Total Tox Course Coordinator and Day 3 Moderator. Presented at American College of Medical Toxicology Total Tox Conference. Virtual Platform: August 2021. CE Program: JA0004273-9999-21-003-L01-P 7.25 hours

Over-the-Counter Poisons #2: NSAIDS and ASA. Presented at American College of Medical Toxicology Total Tox Conference. Virtual Platform: February 2021, August 2021. CE Program: JA0004273-9999-21-001-L01-P 45 minutes

Complicated Acetaminophen Cases. Panel Discussion. Presented at American College of Medical Toxicology Total Tox Conference. Virtual Platform: February 2021. 30 minutes

Mushroom Antidotes: Which Ones Will You Choose?. Presented at the North American Congress of Clinical Toxicology AACT Pre-Symposium, Natural...But Not Good For You. Virtual Congress: September 2020. 30 minutes

Anticoagulants and Antithrombotics: When You Can't Control the Bleeding. Presented at American College of Medical Toxicology Total Tox Conference. Chicago, Illinois: September 2018. 40 minutes

Over-the-Counter Poisons #3 Antihistamines and Antitussives. Presented at American College of Medical Toxicology Total Tox Conference. Chicago, Illinois: September 2018. 30 minutes

EMED PRN Focus Session: Code Breakpoint: A Guide to Combat Stress and Burnout in the Acute Care Pharmacist, The Ins and Outs of Stress and Burnout in the Acute Care Setting. ACCP EMED PRN Focus session presented at ACCP Annual Meeting. Phoenix, Arizona: October 2017. CE Program 0217-0000-17-138-L04-P 1.5 hours

Medication Fork In the Road: Which Route Will You Choose? Presented at American College of Medical Toxicology Pre-meeting Symposium at the North American Congress of Clinical Toxicology Annual Meeting; Boston, Massachusetts: September 2016. CE program 0225-9999-16-203-L01-P 1 hour

Managing Community Acquired Pneumonia in the Community. Presented at Cempra Advisory Board Meeting; Chicago, Illinois: April 2016. 2 hours

Updates in Pediatric Toxicology: Focus on Newer Drugs of Abuse. Presented at Pediatric PRN Meeting. ACCP Annual Meeting; Austin, Texas: October 2014. CE program 0217-0000-14-124-L01-P 2 hours

Continued Sedation and Analgesia in the ED, Emergency Medicine Pearls Session. ASHP Midyear Clinical Meeting and Exhibition; Orlando, Florida: December 2013. CE program 1.75 hours

Newer Designer Drugs: Amphetamines, Synthetic Cannabinoids, and Cathinones. ABAT CE Study Module; Recorded for online access. CE program 1 hour

Developing a Triage System, Update in Emergency Department Practice: Service Optimization & Collaborative Practice. ASHP Midyear Clinical Meeting and Exhibition; Las Vegas, Nevada: December 2012. CE program 1.75 hours

Use of Intranasal Medications in the ED, Emergency Medicine Pearls Session. ASHP Midyear Clinical Meeting and Exhibition; Las Vegas, Nevada: December 2012. CE program 1.75 hours

Pyridoxine: When/Why to consider in your ED/Tox patient. Emergency Medicine Pearls Session; ASHP Midyear Clinical Meeting and Exhibition; New Orleans, Louisiana: December 2011. CE program 1.75 hours

Lipids, Not Just For Breakfast Anymore. American College of Clinical Pharmacists Annual Meeting; Pittsburgh, Pennsylvania: October 2011. CE program 1.5 hours

But I Don't Want My Patient to Bleed: Thrombolytics for Acute Ischemic Stroke. ASHP Midyear Clinical Meeting and Exhibition; Anaheim, California: December 2010. CE program 1.75 hours

Emerging Antimicrobial Resistance in the ED: A Focus on Community-Acquired Resistance and Special Populations. ASHP Midyear Clinical Meeting and Exhibition; Anaheim, California: December 2010. CE program 1.75 hours

Preeclampsia in the ED. Emergency Medicine Pearls Session; ASHP Midyear Clinical Meeting and Exhibition; Anaheim, California: December 2010. CE program 1.75 hours

Thrombolytics in Cardiac Arrest, Life-Saving, Life-Changing, or Disappointing? ASHP Webinar Teleconference: September 2010. CE program 1.75 hours

REGIONAL/LOCAL INVITED PRESENTATIONS

Leadership from your Position. Academic Leadership Program Session. University of Illinois at Chicago College of Pharmacy; Chicago, IL: April 2025. 1 hour

Pharmacologic Treatment of Acute Agitation in the ED. Department of Emergency Medicine Physician Faculty Development. University of Illinois Hospital and Health Sciences System; Chicago, Illinois: March 2025. 1 hour

The Nuts and Bolts of Lead and Iron Chelation. Emergency Medicine Physician Resident Conference. University of Illinois Hospital and Health Sciences System; Chicago, Illinois: May 2024. 0.5 hour

When You Can't Use IV: Alternative Routes of Medication Delivery. UI Health 1st Annual ER Symposium: What's the Urgency in the Emergency Department. UI Health Hospital and Health Sciences System; Chicago, IL: May 2024. 1 hour

Leadership from your Position. Academic Leadership Program Session. University of Illinois at Chicago College of Pharmacy; Chicago, IL: April 2024. 1 hour

Leadership from your Position. Academic Leadership Program Session. University of Illinois at Chicago College of Pharmacy; Chicago, IL: April 2023. 1 hour

What Else Can We Use? Challenges in Medication Availability for RSI. Department of Emergency Medicine Faculty Development. University of Illinois at Chicago College of Medicine; Chicago, Illinois: March 2023. 1 hour

Leadership in the COVID-19 Pandemic. Invited speaker. UIC College of Pharmacy Phi Lambda Sigma student chapter. Chicago, Illinois: February 2022. 1 hour

How to Build and Review for a Successful Promotion and Tenure Case. Invited panel discussion. UIC College of Pharmacy Department of Pharmacy Practice Department Seminar. Chicago, Illinois: October 2021. 1 hour

Team Based Interdisciplinary Care. Invited expert panel discussion. UIC College of Pharmacy PHAR462: Social and Behavioral Pharmacy. Chicago, Illinois: October 2021. 50 minutes

When You Can't Use IV: Alternate Routes of Medication Delivery. Medical Topics of Impact Training Conference. U.S. Army 101st Airborne Unit. Renaissance Hotel; Chicago, Illinois: May 2021. 1 hour

Pharmacy Updates: COVID19 Focused Therapies and STD Updates. Department of Emergency Medicine Faculty Development. University of Illinois at Chicago College of Medicine; Chicago, Illinois: March 2021. 1 hour

Implementation of a Naloxone Access Program in the ED. Illinois Public Health Institute Hospital Opioid Treatment Response Opioid Learning Collaborative; Chicago, Illinois: August 2020. 1 hour

Dialing In for Success: Remote Learning in Core Experiential Activities: UIC College of Pharmacy Preceptor Workshop, Medicine Breakout Facilitator; Chicago, Illinois: August 2020. Pharmacist CE Program ACPE UAN# 0016-0000-20-046-L04-P 2 hours

Neuro Toxicity. University of Illinois at Chicago Department of Neurology Grand Rounds. University of Illinois at Chicago College of Medicine; Chicago, Illinois: June 2020. 1 hour

Stop the Bleeding: Unique Cases for Antithrombotic Reversal. C4: Chicagoland Critical Care Conference; Chicago, Illinois: August 2019. 1 hour

Neuro Toxicity. University of Illinois at Chicago Department of Neurology Grand Rounds. University of Illinois at Chicago College of Medicine; Chicago, Illinois: July 2019. 1 hour

I Smell a Rat...Considerations for Anticoagulant Reversal. Emergency Medicine Physician Resident Conference. University of Illinois Hospital and Health Sciences System; Chicago, Illinois: February 2019. 0.5 hour

Neuro Toxicity. University of Illinois at Chicago Department of Neurology Grand Rounds. University of Illinois at Chicago College of Medicine; Chicago, Illinois: June 2018. 1 hour

A Little of This and a Pinch of That. University of Illinois at Chicago Department of Emergency Medicine Faculty Development. University of Illinois at Chicago College of Medicine; Chicago, Illinois: June 2018. 1.5 hours

Let's Talk About Antidotes. Emergency Medicine Physician Resident Conference. University of Illinois Hospital and Health Sciences System; Chicago, Illinois: January 2017. 1 hour

Neuro Toxicity. University of Illinois at Chicago Department of Neurology Grand Rounds. University of Illinois at Chicago College of Medicine; Chicago, Illinois: June 2017. 1 hour

Jack of all Trades, Master of None. University of Illinois at Chicago Department of Emergency Medicine Faculty Development. University of Illinois at Chicago College of Medicine; Chicago, Illinois: May 2017. 1.5 hours

Schedule II Updates and Off-Label Use of Antidotes: Working In or Around the FDA. Advanced Clinical Program, Illinois Emergency Nurses Association Spring Symposium; Lisle, Illinois: April 2017. Nursing CE program 1 hour

Pediatric Toxic Terror. Illinois Emergency Medical Services for Children Region XI Conference; Chicago, Illinois: November 2016. Nursing CE program 1 hour

Newer Drugs of Abuse. Community Drug Education Committee Student Group. UIC College of Pharmacy; Chicago, Illinois: November 2016. 1 hour

Medication Fork In the Road: Which Route Will You Choose? Department of Emergency Medicine Grand Rounds. Loyola University Medical Center Strich School of Medicine; Chicago, Illinois: October 2016. CME program 1.5 hours

You put what, where? Unique uses and abuses of pharmaceutical agents. Emergency Medicine Physician Resident Conference. University of Illinois Hospital and Health Sciences System; Chicago, Illinois: January 2016. 1 hour

Toxicology Screen and Your Patient: Clinical and Legal Implications. Advanced Practice Clinical Update: The Evidence Revealed, Loyola University Medical Center Advanced Practice Nursing Group; Maywood, Illinois: March 2015. Nursing CE program 1.5 hours

Make them stop bleeding: The novel oral anticoagulants and things to consider in the ED. University of Illinois at Chicago Department of Emergency Medicine Faculty Development. University of Illinois at Chicago College of Medicine; Chicago, Illinois: January 2015. 1 hour

Tramadol: Ultrawesome or Ultox? Toxikon Consortium Grand Rounds Presentation, University of Illinois Hospital and Health Sciences System; Chicago, Illinois: July 2014. 1 hour

Sharing the love: treating STIs and SSTIs in the community. UI Hospital APRN and UIC College of Nursing Grand Rounds, University of Illinois Hospital and Health Sciences System; Chicago, Illinois: April 2014. Nursing CE program 1.5 hours

Antidote Updates. Advanced Clinical Program, Illinois Emergency Nurses Association Spring Symposium; Lisle, Illinois: April 2014. Nursing CE program 1 hour

Lipids: Novel Use of a New Antidote. Toxikon Consortium Grand Rounds; Chicago, Illinois: November 2012. 1 hour

Krokodil and Other Drugs that Bite. Toxikon Consortium Grand Rounds; Chicago, Illinois: May 2012. 1 hour

Antidotes Used in the Treatment of Toxicologic Ingestions. Advanced Clinical Program, Illinois Emergency Nurses Association Spring Symposium; Lisle, Illinois: April 2011. Nursing CE program 1 hour

Current Issues with Opioid Abuse and Withdrawal. Grand Rounds Presentation, Schwab Rehabilitation Hospital; Chicago, Illinois: March 2011. 1.5 hours

Stroke Education. Pharmacy Department, Loyola University Medical Center; Maywood, Illinois: July-October 2010. Educated and competencied all pharmacists on stroke response and tPA administration. 10 hours

Trends in Drugs of Abuse: The Ins & Outs of Ups & Downs. Emergency Department Nursing Symposium; Maywood, Illinois: June 2010. Nursing CE program 1 hour

Trends in Drugs of Abuse: The Ins & Outs of Ups & Downs. Advance Clinical Session, Illinois Emergency Nurses Association Spring Symposium; Skokie, Illinois: May 2010. Nursing CE program 1 hour

STDs: Sharing the Love. Loyola Nursing Grand Rounds, Loyola University Medical Center; Maywood, Illinois: February 2009. Nursing CE program 1.5 hours

Recreational Drug Use Update: What's Hot and What's Not. Loyola Nursing Grand Rounds, Loyola University Medical Center; Maywood, Illinois: October 2008. Nursing CE program 1 hour

SSTIs: An Update. Illinois Emergency Nursing Association, Advanced Nurse Practitioner Meeting, Loyola University Medical Center; Maywood, Illinois: September 2008. Nursing CE program 1.5 hours

Pharmacology for the Critical Care Emergency Transport Program. Loyola CCETP Lecture, Emergency Medical Services, Loyola University Medical Center; Maywood, Illinois: April 2008. EMT provider CE program 8 hours

SSTIs: An Update. Loyola Emergency Medicine Faculty Meeting, Loyola University Medical Center; Maywood, Illinois: February 2008. 1 hour

Medication Administration and Medication Mathematics. Loyola EMS Paramedic Lecture, Emergency Medical Services, Loyola University Medical Center; Maywood, Illinois: February 2008. 2 hours

General Principles of Pharmacology. Loyola EMS Paramedic Lecture, Emergency Medical Services, Loyola University Medical Center; Maywood, Illinois: February 2008. 2 hours

Basic Pharmacology for the National Paramedic Review Course. Loyola EMS National Paramedic Review Course, Emergency Medical Services, Loyola University Medical Center; Maywood, Illinois: January 2008. EMT provider CE program 4 hours

2007 Feurt Symposium: The Emergency Department (ED) Pharmacist: Innovative Practices in Tennessee. University of Tennessee, Health Science Center; Memphis, Tennessee: March 2007. CE Program 064-000-07-001-L04 2 hours

How Long is Long Enough? Treatment of Acetaminophen Toxicity. University of Tennessee Emergency Medicine Fellowship Conference, University of Tennessee Medical Center; Knoxville, Tennessee: February 2007. 1 hour

General Approach to Basic Poison Management. Pharmacy clinical pearls lecture, University of Tennessee Medical Center; Knoxville, Tennessee: October 2006. 1 hour

Calcium Channel and Beta Blocker Overdose. Presented to emergency department staff, Robert Wood Johnson University Hospital; New Brunswick, New Jersey: August 2005. CE Program 1 hour

Lust for Life: Heroin and Methadone. Toxikon Consortium presentation, John H. Stroger Jr. Hospital of Cook County; Chicago, Illinois: June 2005. 1 hour

Organophosphates: Nerve Agents and Pesticides. Occupational Toxicology presentation, John H. Stroger Jr. Hospital of Cook County; Chicago, Illinois: March 2005. 2 hours

Dirty Bombs and Bioterrorism Seminar, University of Illinois at Chicago, College of Pharmacy; Chicago, Illinois: November 19, 2004. CE Program 1 hour

Co-Investigator. "TOUCHED: Targeting Of UnControlled Hypertension in the Emergency Department." Sponsor: National Institute of Health (Primary Investigator: Prendergast H), Total Funding: \$3,275, 097. (6% Pharm) July 2018-June 2023.

Co-Investigator. "CTOUCH: Community Targeting Of UnControlled Hypertension in emergency department. "Sponsor: University of Illinois at Chicago College of Medicine, Department of Emergency Medicine (Primary Investigator: Prendergast H), Total Funding: \$25,000. April 2017-April 2018.

Co-investigator, "AHEAD2: A Hypertension Emergency department intervention Aimed at Decreasing Disparities", Sponsor: National Institute of Health/National Heart, Lung, Blood Institute (Primary Investigator: Prendergast H), Total Funding: \$586,893. August 2015-September 2016.

Project clinical pharmacist, "Project H.E.A.L: HIV and HCV Screening. Education.Awareness.Linkage to care." Sponsor: Gilead Sciences (Primary Investigator: Lin J), Total Funding: 2014-15 \$317,770, 2015-16 \$358,259. March 2014-present. Clinical pharmacist funding period 10/1/14-8/16/16.

Unfunded Grant Submissions

Co-investigator. "UMBRELA: Understanding Motivation and Barriers to Retention in Emergency Department Clinical Trials." Sponsor: National Institute of Health (Primary Investigator: Prendergast H), Total Funding Requested \$1,868,904. (6% Pharm) 3 years, application submitted.

Co-Investigator, "CTOUCH: Community Targeting Of UnControlled Hypertension in emergency department. Sponsor: UIC Center for Clinical and Translational Science (Primary Investigator: Prendergast H), Total Funding Requested: \$56,806. Submitted November 2016.

Co-Investigator, "AHEAD2: A Hypertension Emergency department intervention Aimed at Decreasing Disparities", Sponsor: National Institute of Health (Primary Investigator: Prendergast H), Total Funding Requested: \$1,333,951. Submitted March 2015.

Unfunded Research

Co-investigator, "*Is Less More? Low vs Standard Dose Induction During RSI*". (Primary Investigator Maddox MM), University of Illinois at Chicago College of Pharmacy, August 2023-present.

Co-investigator, "*Calcium Chloride vs Gluconate for Hyperkalemia: A Retrospective Study*". (Primary Investigator Maddox MM), University of Illinois at Chicago College of Pharmacy, August 2022-present.

Co-investigator, "*ED OUD MAR Experiences*". (Primary Investigator Lin TS), University of Illinois at Chicago College of Pharmacy, August 2022-May 2023.

Co-investigator, *"Dose-Dependent Effects of Diltiazem in Atrial Fibrillation: A Retrospective Study"*. (Primary Investigator Posen AK), University of Illinois at Chicago College of Pharmacy, August 2021-June 2022.

Co-investigator, *"Influence of the 2020 Novel Coronavirus (SARS-CoV-2) on Toxicology Related Presentations"*. (Primary Investigator Engeleit A), University of Illinois at Chicago College of Pharmacy, August 2020-June 2021.

Co-investigator, *"Evaluating Guideline Adherence in the Early Management of Hypertensive Emergency"*. (Primary Investigator Posen D), University of Illinois at Chicago College of Pharmacy, August 2020-June 2021.

Co-investigator, *"Implementation and Evaluation of Naloxone Dispensing in the Emergency Department"* (Primary Investigator Cruz A), University of Illinois at Chicago College of Pharmacy, August 2019-June 2020.

Co-investigator, *"Evaluation of Prescribing and Time to Administration of Antibiotics in Febrile Neonates in the Emergency Department"* (Primary Investigator Miller J), University of Illinois at Chicago College of Pharmacy, August 2018-June 2019.

Co-investigator, *"Evaluation of outpatient antibiotic prescribing for urinary tract infection in pediatric patients 2 months to 18 years old"* (Primary Investigator Lee M), University of Illinois at Chicago College of Pharmacy, August 2018-June 2019.

Co-investigator, *"Do you have the knack for dosing eNAC?"* (Primary Investigator: Burhoe D), University of Illinois at Chicago College of Pharmacy, August 2018-June 2019.

Primary Investigator, *"Post Graduate Year 2 Emergency Medicine Pharmacy Residency Program Initial Outcomes: A Survey"*, University of Illinois at Chicago College of Pharmacy, May 2018-June 2019.

Co-investigator, *"Examination of Complications Occurring Within One Year Post Renal Transplantation"* (Primary Investigator: Lichvar A), University of Illinois at Chicago College of Pharmacy, August 2017-June 2019.

Co-investigator, *"Sodium bicarbonate use for in-hospital cardiac arrests"* (Primary Investigator: Chang K), University of Illinois at Chicago College of Pharmacy, November 2016-June 2017.

Co-investigator, *"Palatability of effervescent vs. standard oral n-acetylcysteine: is it worth all the fizz?"* (Primary Investigator: Guthrie AM), University of Illinois at Chicago College of Pharmacy, January 2017-June 2017.

Co-Investigator, *"Pharmacist Assistance Characteristics in Stroke Treatment (PharmACIST)."* (Primary Investigator: Henderson O), University of Illinois at Chicago College of Pharmacy, October 2016-June 2017.

Co-Investigator, *"Sodium bicarbonate use for in-hospital cardiac arrests."* (Primary Investigator: Chang K), University of Illinois at Chicago College of Pharmacy, November 2016-June 2017.

Primary Investigator, *"Utilization of rapid diagnostic testing to guide therapy for sexually transmitted infection in an emergency department."* University of Illinois at Chicago College of Pharmacy, June 2016-April 2017.

Co-Investigator, *"Evaluation of intubation medications in the emergency department"* (Primary Investigator: Gordon K), University of Illinois at Chicago College of Pharmacy, October 2015-June 2016.

Primary Investigator, *"Construction on a real-time emergency department-specific antibiogram"*, University of Illinois at Chicago College of Pharmacy, February 2015-June 2016.

Co-investigator, "Assessment of antihypertensive use in the emergency department for hypertensive urgency and emergency" (Primary Investigator: MacLasco A), University of Illinois at Chicago College of Pharmacy, September 2014-June 2015.

Primary investigator, "Free and total digoxin concentrations- hospital laboratory capabilities: survey", University of Illinois at Chicago College of Pharmacy, September 2014-June 2014.

Co-Investigator, "Evaluation of empiric antibiotic selection for the treatment of community-associated skin and soft tissue infections in the emergency department" (Primary Investigator: Ciaramella, C), University of Illinois at Chicago College of Pharmacy, September 2013-June 2014.

Co-investigator, "Descriptive analysis of patients receiving digoxin immune fab therapy: demographics, concentrations, recommendations" (Primary Investigator: Nguyen TT), University of Illinois at Chicago College of Pharmacy, September 2013-June 2014.

Co-investigator, "Determining the efficacy of intravenous magnesium sulfate in acute asthma and chronic pulmonary obstructive disease (COPD) exacerbations" (Primary Investigator: Nguyen TT), University of Illinois at Chicago College of Pharmacy, September 2012-June 2013.

Co-investigator, "Characterizing the elimination of methanol in toxic overdose" (Primary Investigator: Nguyen TT), University of Illinois at Chicago College of Pharmacy, April 2012-June 2013.

Primary Investigator, "Assessment of oral vs. IV acetylcysteine for treatment of acetaminophen overdose at Robert Wood Johnson University Hospital", Robert Wood Johnson University Hospital, October 2005-June 2006.

Primary Investigator, "Assessment of adult asthma patient visits in the emergency department at the University of Illinois Medical Center Chicago", University of Illinois at Chicago, October 2004-June 2005.

Industry Sponsored Multicenter Trials

Primary Investigator, "Acute bacterial Skin and Skin Structure Infection (abSSSI) practice pattern assessment", Site: University of Illinois at Chicago Hospital and Health Sciences System. Sponsor: Durata Therapeutics. Total Funding Awarded: \$7500. October 2014-December 2014.

Co-primary Investigator, "MN-221-CL-007: A phase II, randomized, double-blind, placebo-controlled study to evaluate the safety and efficacy of MN-221 when administered intravenously as an adjunct to standard therapy to adults with acute exacerbation of asthma", Site: Loyola University Medical Center. Sponsor: MedicaNova. Total Funding Awarded: \$3600. January 2010-April 2011.

COMMITTEE APPOINTMENTS

University of Illinois College of Pharmacy

Scholarships and Awards Committee	2024-present
Continuing Education Advisory Committee (CEAC)	2021-2022
Department of Pharmacy Practice clinician/residency search committees'	2012-present
Committee on Committees	2016-2020
Residency Program Marketing Committee	2017-2019
Curricular Revision Committee Member – PDAT X Development	2015

University of Illinois Hospital and Health Sciences System

Emergency Management Committee

- Spring Awakening Emergency Management Planning Group
- NATO UI Health Emergency Management Planning Group
- Hazmat first responder training
- TOPPOFF 2, National Emergency Management Exercise
 - US Department of Homeland Security

April 2012-present
June 2016, 2017, 2018
May 2012
2008-2011
May 2003

Emergency Care Committee

- RRT/Code Subcommittee

November 2011-present
July 2011-2020

Emergency Medicine QI Committee
