

Julie Weber, BS Pharm

Please share your current and past involvement in AACT, AACT-related activities and/or ABAT.

My current and past involvement with AACT and AACT-related activities:

- AACT member since 1993
- NACCT Conference Planning Committee, America's Poison Center, 2020 – 2024
- Active in America's Poison Centers, serving on the National Poison Data System Development Group since 2018 - present

Please note any previous leadership and/or board experience(s) in other associations and/or institutions.

Non-AACT Leadership Experience:

America's Poison Centers

- Board of Directors, Past President, 2022-2024
- Board of Directors, President, 2020-2022
- Board of Directors, President-Elect, 2018-2020
- Board of Directors, Director at large, 2012-2018
- America's Poison Center, Poison Center Leadership Meeting Planning Committee, 2020-2022
- America's Poison Centers, MDX Joint Coding Committee 2020-2023
- America's Poison Centers, CEO Evaluation Committee
 - o Chair 2022-2024
- NPDS Development Group Committee, Member 2018-present
 - o Co-chair 2024-present
- PoisonHelp.org Committee, Member 2018-present
- AAPCC Poison Center Accreditation Committee, 2010-2018
- Quality Assurance and Benchmarking Subcommittee, 2006-2018
- Staff Development Subcommittee, chair 2003-2004, co-chair 1999-2002 and 2005-2006
- TESS Task Force 2004 - 2008
- Specialist in Poison Information Committee, 1998-2006

Missouri Hospital Association

- Overdose to Action (OD2A), Executive Steering Committee 2023-present
- Advisory Board on Disaster Preparedness 2007-present

University of Health Sciences and Pharmacy Alumni Association, Past President

Please share your vision and goals as a member of the Board of Trustees.

If selected as a Trustee, my service will strengthen the Academy and the specialty of toxicology through interdisciplinary collaboration and excellent financial performance. I will continuously recalibrate and advance our objectives in order to improve our operational excellence and fulfill the mission of the Academy.

Exceptional performance is based on adaptability to a continuously changing environment, both inside and outside the Academy. It takes a formidable team effort as well as firm and purposeful leadership. As an interdisciplinary association, I would like to assure that the Academy maintains cohesive relationships with our members and foster new relationships outside of the organization.

The Academy must remain “ahead of the curve” on issues, disseminating timely, unbiased useful information for clinicians to use every day. I will work to continue to advance activities of the Academy and promise to maintain fiscal responsibility. Open and accurate communication is vital. My years of experience in poison control and service on various America’s Poison Centers Committees and Board, have given me the tools to understand that both content and context are the keys to communication and leadership.

In conclusion, I bring a collaborative approach and a deep sense of responsibility to support governance and decision making. I am committed to upholding the Academy’s mission and long-term success. It would be an honor to serve as a Trustee for the American Academy of Clinical Toxicology.

CURRICULUM VITAE

Julie Ann Weber, B.S. Pharm.

Place of Birth: Belleville, Illinois
Citizenship: United States
Home Address: 823 N. Jackson Avenue
University City, Missouri 63130

Education:

May 1989, BS Pharmacy, St. Louis College of Pharmacy, St. Louis, MO
Honors: Dean's List

Present Position:

Director
Missouri Poison Center
SSM Health Cardinal Glennon Children's Hospital
7980 Clayton Road Suite 200
St. Louis, MO 63117
Email: julie.weber@ssmhealth.com
Phone 314-612-5715

Clinical Instructor
Physician Assistant Program (Toxicology)
Saint Louis University
1 N. Grand Blvd
St. Louis, MO 63103

Academic Appointments:

Adjunct Clinical Instructor in Pharmacy
University of Health Sciences and Pharmacy
(St. Louis College of Pharmacy)
St. Louis, MO 63110

Preceptor: 1989 - present

Course Director: 2001-2008

Toxicology Emergencies
Toxicology
Contemporary Drug Education

Licenses and Board Certifications:

Missouri State Board of Pharmacy, (No. 042642) 1989 - present.
Illinois State Board of Pharmacy, (No. 051-038215) 1991 - present.
Certified Specialist in Poison Information 1991, 1998, 2005, 2013, 2020

Professional Organizations:

American Academy of Clinical Toxicology 1993 - present
America's Poison Centers 1989 - present
Kappa Epsilon Professional Fraternity
University of Health Sciences and Pharmacy Alumni Association

Professional Committees and Leadership:

America's Poison Centers

- Board of Directors, Past President, 2022-2024
- Board of Directors, President, 2020-2022
- Board of Directors, President-Elect, 2018-2020
- Board of Directors, Director at large, 2012-2018
- America's Poison Centers, MDX Joint Coding Committee 2020-2024
- America's Poison Centers, CEO Evaluation Committee
 - Chair 2022-2024
- NPDS Development Group Committee, Member 2018-present
 - Co-chair 2024-present
- PoisonHelp.org Committee, Member 2018-present
- AAPCC Poison Center Accreditation Committee, 2010-2018
- Quality Assurance and Benchmarking Subcommittee, 2006-present
- Staff Development Subcommittee, chair 2003-2004, co-chair 1999-2002 and 2005-2006
- TESS Task Force 2004-2008
- Specialist in Poison Information Committee, 1998-2006

Missouri Hospital Association

- Overdose to Action (OD2A), Executive Steering Committee 2023-present
- Advisory Board on Disaster Preparedness 2007-present

Alumni Board of Directors, St. Louis College of Pharmacy, Past President

Archdiocese of St. Louis Commission on Community Health

Program Support:

Project Director

HRSA 6 H4BHS15600-16-01

Poison Control Stabilization and Enhancement Grants

SSM Health Cardinal Glennon Children's Hospital DBA Missouri Poison Center

Missouri Department of Health and Senior Services

Program Director

Missouri Public Health Emergency Ready - Line

Missouri Department of Health and Senior Services
Program Director
Poison Control Hotline

Research Support:

Principal Investigator
2069982
Denver Health and Hospital Authority
The Researched Abuse, Diversion and Addiction Related Surveillance System (RADARS)

Recurring Academic Lectures:

Toxicologic Emergencies, Pediatric Pharmacology, Physician Assistant Program
Saint Louis University
Tox Emergencies, SSM Health Pediatric Advanced Life Support Certification

Career Summary:

Director, Missouri Poison Center, 2007-present

Director, SSM Health and Wellness Line, 2010-2014

Certified Specialist Poison Information

Missouri Poison Center Hotline 1989-2007

Coordinator, Professional Education

Missouri Poison Center and Saint Louis University Division of Toxicology
Self-directed focus on training and staff development
Supervision of Toxicology Fellowship Program
Expert Testimony at Missouri State Capitol
Oversight of industrial contract procurement and execution
Oversight of federal grant procurement and administration
