1:00 pm - 2:00 pm	AACT Radiation Section Symposium: Effective Collaboration in Radiation Emergencies	Montreux 1-2
1:00 pm - 2:00 pm	Platform Session 3	Zurich ABCD
1:00 pm - 2:00 pm	ToxLab Science Fair	Zurich EFG
2:00 pm - 3:00 pm	ToxLab Symposia	Zurich EFG

# Health for All & Hunger for None

At Bayer, we believe it's possible to create a better world where health and nutrition are accessible to all, embodying our mission **"Health for all, Hunger for none"**.

As a global company with core competencies in health care and agriculture, we design our products and services to address the world's greatest challenges and the most fundamental human needs.

## Your Partner for Specialty Toxicology

Delivering reliable toxicology results when they matter most. From emerging drug threats to therapeutic monitoring and specialized panels, NMS Labs provides critical patient insights needed with speed and confidence.

Testing services include:

- ✓ Drugs of Abuse
- ✓ Therapeutic Drug Monitoring
- ✓ Exposure Monitoring
- ✓ Newborn Toxicology

*Toxicology expertise you can trust.*
